## NATIONAL SELECTION RESULTS FOR 2020 NEW INTAKES

On behalf of the Minister, Honourable NICK KUMAN, MP, and the Department for Higher Education, Research, Science and Technology, this publication hereby confirms that the following students, published on this official list, are selected on academic merit to a higher education institution of their choice.

The National Selection of students into higher education institutions is administered online through a transparent and accountable system entitled the National Online Selection System (NOSS). If a Grade 12 School Leaver has been selected for a study program, this means that the applicant met the minimum admission requirements of the Higher Education Institution and his/her ranking was high enough to be within range of the quota of the study program selected for.

By virtue of the powers conferred in Section 165 of the *Higher Education (General Provisions) Act 2014* and all other powers enabling the Department, confirm that the Department of Higher Education, Research, Science and Technology will facilitate academic studentship. The studentship serves to support a student's education in the academic year 2020, awarded on the basis of academic and other achievement for these awardees as determined by the terms and conditions for students receiving the Higher Education Loan Program – (HELP).

As the sponsor, the Government expects all HELP awardees of 2020 academic year to devote his/her time and effort primarily to academic pursuits. Furthermore, a HELP holder must at all times behave in a proper manner, abiding by the institutional policies and aspiring to meet expectations of an academic environment where there is order and respect for State authority, state and institutional property, respect for individual rights and freedom provided under the constitution of Papua New Guinea.

First year students on HELP studentship are advised to adhere to the announcements on their National Online Application System (NOAS) MyStatus page for more information about their studentship. Meanwhile, continuing students list will be published officially on the Department of Higher Education, Research, Science and Technology website on the 24<sup>th</sup> of December 2019 and those students would have to apply for HELP studentship. The HELP studentship is a privilege, not a right. In accepting the HELP studentship, the Awardee is to meet all Terms and Conditions as stipulated in the HELP studentship Policy.

The National Government is committed indeed to facilitating access to quality higher education for all eligible and selected students. The Government has therefore committed to investing in the Higher Education Loan Program (HELP). The Department of Higher Education, Research, Science and Technology will communicate the loan program to the general public, once in effect.

On behalf of the Ministry and the DHERST, we wish to congratulate all selected students on this academic achievement and the HELP studentship.

May this Christmas end the present year on a cheerful note and make way for a fresh and bright New Year. We wish you a Merry Christmas and a Happy New Year 2020.

Below is the 2020 First Year Scholarship Awards List for TESAS. Congratulations! Students on this list will receive your TESAS Offer Letter attached with the Terms and Conditions via your N.O.A.S account. Please refer to the Offer Letter for full details of your scholarship. In additional we kindly ask you to download, read and appreciate the TESAS Handbook located at the 'Scholarships Section' of the DHERST website for reference.

Below is the 2020 First Year Scholarship Awards List for TESAS. Congratulations! Students on this list will receive your TESAS Offer Letter attached with the Terms and Conditions via your N.O.A.S account. Please refer to the Offer Letter for full details of your scholarship. In additional we kindly ask you to download, read and appreciate the TESAS Handbook located at the 'Scholarships Section' of the DHERST website for reference.
